

# NODIFY GUARDIAN™

## Dependable Solution for Man Down Tracking!

Get rescued with one push of a button, even outside of cellular coverage. Enable remote field workers to “Check-In” when they reach a site and alerts that come directly to your Security Center or our own 24x7 Manned Monitoring Center.

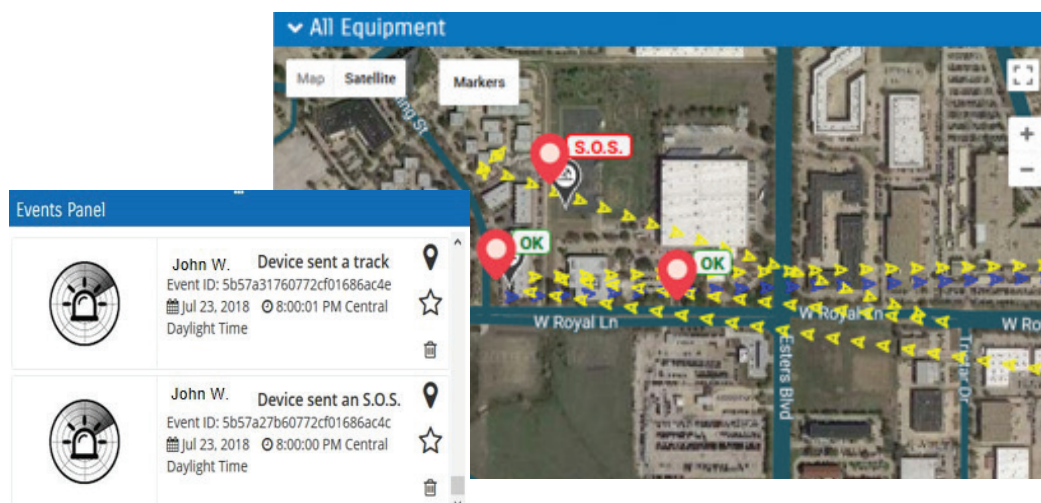

### Benefits

- ▶ S.O.S. alert for man down situations
- ▶ Enable employees to check-in upon safely arriving at locations
- ▶ Non-emergency help alerts for non critical events
- ▶ World-wide operations
- ▶ Battery indicator
- ▶ Battery powered (4 AAA batteries)
